

Robert Kortan: Dedicated Nurse with Advocate Health Care in the Chicago Area

Leveraging Diverse Nursing Experience to Enhance Patient Care and Improve Outcomes

New York City, New York Apr 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - Advocate Sherman Hospital is proud to spotlight Robert Kortan, an ICU/Tele Float Nurse, whose unwavering dedication to nursing and patient care exemplifies the hospital's mission of providing high-quality health services. With a comprehensive skill set acquired through varied experiences across multiple nursing specialties, Robert is committed to improving patient outcomes and satisfaction.

Currently serving at Advocate Sherman Hospital, Robert is an integral part of the healthcare team,

floating between various inpatient departments, including medical, surgical, oncology, ortho/neuro, cardiac telemetry, observation, ICU, and IMCU units. His responsibilities extend beyond direct patient care, as he also lends his expertise to the Respiratory Therapy Department and the Outpatient Wound Care Clinic. Additionally, he provides essential vascular access services throughout the hospital, ensuring that patients receive timely and effective care.

Robert's commitment to excellence is further demonstrated by his active involvement in several hospital committees, including the Pressure Injury Prevention Committee, HAPI, DIVA, Weekend Program, and the Workplace Violence Prevention Committee. His participation in these initiatives highlights his dedication to enhancing patient safety and satisfaction, as he continuously seeks innovative solutions to improve care delivery.

Robert's educational foundation includes a Bachelor of Science in Nursing from Aurora University, earned in 2022. He is now focused on furthering his career in critical and emergency care settings while preparing to obtain certifications such as CCRN, VA-BC, and TCRN. Additionally, he aspires to complete his Psychiatric Nurse Practitioner Degree at Chamberlain University, reflecting his desire to expand his knowledge and skill set to better serve patients.

In his role as a preceptor for new nurses, Robert shares his extensive knowledge and experience, helping to cultivate the next generation of healthcare professionals at Sherman Hospital. His willingness to float to Advocate Condell Medical Center and Advocate Good Samaritan Hospital, covering various units such as ICU, CCU, Step Down, and PCU, further underscores his commitment to collaboration and support within the greater Advocate Health network.

Recognized for his exemplary contributions, Robert has received the CEO Award of Excellence, the Resiliency Award, and the Courage Award. He attributes his success to a strong work ethic, ambition, and a genuine desire to help others. Embracing the philosophy of saying "yes" to new challenges, Robert actively pursues growth opportunities, whether by picking up extra shifts or volunteering for complex patient care tasks. He views discomfort as a catalyst for personal and professional development, transforming daunting experiences into rewarding learning moments.

Outside of his professional life, Robert enjoys brewing wine and cider, working out, going for walks, and spending quality time with his dog and family. His commitment to balance ensures that he remains grounded and connected to the community he serves.

Robert Kortan's passion for nursing and patient care serves as an inspiration to both colleagues and patients alike. His dedication to improving healthcare outcomes through diverse experiences and unwavering commitment to quality care aligns perfectly with Advocate Sherman Hospital's vision of excellence in health services.
