

Rodan Energy Recognized as Top Employer

Rodan Energy Solutions, has been named one of Canada's Top Small and Medium-Sized Employers for 2025 by Canada's Top 100 Employers

Mississauga, Ontario Apr 9, 2025 ([IssueWire.com](https://www.issuewire.com)) - Rodan Energy Solutions, a leader in energy management solutions, has been named one of Canada's Top Small and Medium-Sized Employers for 2025 by Canada's Top 100 Employers. This highly sought-after recognition highlights the company's outstanding workplace culture, employee satisfaction, and commitment to fostering a positive and inclusive environment.

The award is part of the annual Canada's Top 100 Employers program, which honors organizations across the country that offer exceptional work environments for their employees. Rodan Energy stood out for its commitment to employee development and career growth, its supportive work environment promoting employee well-being, as well as its inclusive and collaborative culture.

"We are incredibly proud to again be recognized as one of Canada's Top Small and Medium-Sized Employers," said Paul Grod, CEO & President of Rodan Energy Solutions. "This award is a testament to the dedication of our amazing team and our continuous investment in creating an environment where employees can thrive. We believe that when our people succeed, the entire company succeeds."

Rodan Energy's focus on offering competitive compensation, fostering professional development, and prioritizing employee well-being played a pivotal role in earning its recognition as a top employer. They are committed to excellence and care deeply about their clients, team, and the communities they serve. Rodan Energy employees have the opportunity to work on cutting-edge projects in demand response, distributed energy resources, and AI-driven energy solutions—helping to shape the future of energy while making a lasting impact. With a culture rooted in innovation, collaboration, and purpose-driven work, Rodan Energy empowers its team to grow, lead, and drive meaningful change. As they continue to expand, they are creating pathways for employees to advance their careers, contribute to a more sustainable world, and be part of something larger. By attracting the most forward-thinking minds in the industry, Rodan Energy is not just growing its business—they are building a legacy.

This honor reinforces Rodan Energy's commitment to being a leader not only in the energy industry, but

also in building a workplace where talent is nurtured and valued.
