

# SaFiSpa Launches Non-Toxic Candle Collection for a Cleaner, Healthier Home

## Luxury Soy Scented Candles & Fragrances

**Valley Stream, New York Apr 7, 2025 ([Issuewire.com](https://www.issuewire.com))** - SaFiSpa LLC introduces a Non-Toxic Soy & Beeswax Candle Collection, offering a safer, eco-friendly alternative to traditional candles. Made with natural soy wax, American beeswax, and essential oils, these clean-burning candles are free from paraffin and synthetic additives. Featuring nature-inspired scents, SaFiSpa emphasizes sustainability with biodegradable materials and non-toxic wicks. The brand also offers essential oils, body lotion, and skincare products.

As concerns over indoor air quality grow, [SaFiSpa LLC](https://www.issuewire.com) is offering a healthier, eco-friendly approach to home fragrance with its [Non-Toxic Soy & Beeswax Candle Collection](https://www.issuewire.com). Founded in 2024, the Long Island-based brand creates luxurious, clean-burning candles made from natural soy wax, American-sourced beeswax, and toxin-free essential oils — eliminating paraffin, phthalates, and synthetic fragrances commonly found in traditional candles.

### Clean, Sustainable Fragrance

Unlike petroleum-based candles that may release harmful toxins, SaFiSpa's handcrafted collection provides a clean, long-lasting burn while supporting a healthier indoor environment. The candles feature biodegradable materials and cotton and wood wicks free from metals or chemicals, reinforcing the brand's commitment to sustainability and well-being.

### Nature-Inspired Scents

**Each fragrance is carefully blended to enhance ambiance and relaxation:**

Rose & Vetiver – Warm and grounding

Lavender Vanilla – Soothing and creamy

Sandalwood & Amber – Rich and warm

Citrus & Bergamot – Bright and refreshing

Passion Fruit & Caribbean Spice – Tropical and exotic

### **Customizable Gift Sets for Special Occasions**

In addition to individual candles, SaFiSpa offers personalized gift sets for weddings, birthdays, corporate gifts, and other special occasions. Customers can customize fragrances and packaging to create meaningful, eco-conscious gifts.

### **Expanding the SaFiSpa Experience**

Beyond candles, SaFiSpa provides premium essential oils, body lotions, and natural skincare, all crafted with plant-based ingredients for a holistic self-care experience.

"Luxury and sustainability should go hand in hand," said Nicole Peters Devis, Founder of SaFiSpa. "Our mission is to create high-quality products that enhance well-being while respecting the environment."
