

SEAMEO TED Visits Partner Institutions in Guizhou, Chongqing, and Shanghai

New York City, New York Apr 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - From April 7 to 10, 2025, Dr. Songheang Ai, Director of SEAMEO TED, was invited to visit China. He successively visited Guizhou Polytechnic of Construction, Guizhou Education Association for International Exchange, China (Chongqing) Public Vocational Training Center, International Education Association Shanghai, and Shanghai Vocational College of Agriculture and Forestry. Dr. Songheang Ai officially signed MoUs with the Guizhou Education Association for International Exchange, China (Chongqing) Public Vocational Training Center, and International Education Association Shanghai, establishing strategic partnerships in areas such as joint development of digital courses resources, international cooperation platforms, and enhancement of vocational skills. Ms. Qin Ziyang, Special Advisor to SEAMEO TED, General Manager Yu Qi, and Marketing Manager Shu Weixing from China's strategic partner Go Study Global Education participated in the visit.

During this visit, SEAMEO TED focused on China-Southeast Asia educational exchange and cooperation, engaging in in-depth discussions with partners on joint development of digital course resources, skills training, and international competition. Dr. Songheang Ai and institutional leaders exchanged their organizational backgrounds and cooperation achievements. They focused on the collaborative development of digital curriculum resources under the China-ASEAN Technical Education

Cooperation Platform(CATECP), skills enhancement and training programs for teachers and students in Southeast Asia and employees of Chinese-funded enterprises, and joint arrangement of international skills competitions and conferences in the future. Consensus was also reached on the certification and promotion of Chinese vocational qualifications in the ASEAN region. All parties expressed anticipation for future cooperation in curriculum construction, resource sharing, and teacher exchanges.
