Jabalpur, Madhya Pradesh Jan 12, 2026 ([Issuewire.com](http://Issuewire.com)) - For nearly two decades, **Star Technologies** has been a pillar of trust and reliability in the field of data recovery services in Jabalpur, Madhya Pradesh. Founded in 2006 by **Mr. Harsh Shivhare**, Star Technologies specializes in recovering lost or inaccessible data from **hard drives, solid-state drives (SSDs), memory cards, and pen drives.**

Whether it's accidental deletion, physical damage, virus attacks, or file system corruption, Star Technologies has helped thousands of individuals, professionals, and businesses recover crucial data that once seemed lost forever.

"We understand the value of data – it's more than just files; it's memories, records, and lifelines for businesses," says **Mr. Harsh Shivhare**, owner and founder of Star Technologies. "Our mission has always been to offer reliable, affordable, and efficient data recovery solutions to the people of Jabalpur and surrounding areas."

Star Technologies has built a reputation for delivering professional, customer-focused services backed by technical expertise and modern recovery tools. The company's experience and dedication have made it a go-to name in central India for data recovery needs.

**Key Services:**

- Hard Drive Data Recovery
- SSD Data Recovery
- Memory Card Recovery
- Pen Drive Recovery

Whether you're an individual who lost precious memories or a business with critical files at stake, Star Technologies stands ready to help.
