

SupremePR Unleashes Guaranteed-View TikTok Campaigns Built for Independent Rappers

New guaranteed-view packages deliver 30 k to 1 million real TikTok plays in just 48 hours, giving independent artists the social proof they need without bots or gimmicks.

College Station, Texas Apr 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - SupremePR—the agency trusted by more than 20,000 up-and-coming artists—has launched a new **TikTok promotion suite designed specifically for independent rappers** who need real views, fast buzz, and zero bot risk.

“Rappers grind too hard to let their singles disappear into the TikTok void,” said **Mick Southerland, founder of SupremePR**. “We guarantee views from real hip-hop-focused creators, so emcees can focus on bars instead of begging for algorithm luck.”

- **Live dashboard**—see every post, view, like, and comment in real time.
- **Hard refund policy**—miss the number, either we run extra posts or refund the gap. Period.
