New York City, New York Apr 11, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Susan C. Daly, a seasoned psychiatrist with extensive expertise in mental health and substance abuse treatment, is pleased to announce her availability for a fully remote part-time psychiatrist position in Connecticut,

Massachusetts, or New York. With a strong commitment to providing compassionate care, Dr. Daly specializes in a wide range of psychiatric services, including adult virtual psychiatry, dual diagnosis treatment, and integrative psychiatry.

Her educational background includes a Bachelor of Arts in Pre-Medical Studies from Connecticut College and a Doctor of Medicine from the University of Connecticut School of Medicine. She has also completed prestigious fellowships at Butler Hospital/Brown University, Yale-New Haven Medical Center, and the Institute of Living/Hartford Hospital.

Dr. Daly is board-certified in Adult Psychiatry and has undergone additional training in Geriatric and Child/Adolescent Psychiatry. Her comprehensive skill set allows her to effectively treat affective disorders, thought disorders, Attention Deficit Hyperactivity Disorder (ADHD), and neurocognitive disorders. In addition, she offers specialized care for individuals with intellectual and developmental disabilities, as well as substance use disorders, utilizing medically assisted therapies such as Suboxone and Vivitrol.

With a rich background in both inpatient and outpatient settings, Dr. Daly has delivered care in general and psychiatric hospitals, skilled nursing homes, and intensive outpatient programs (IOP/PHP). Her experience also extends to telepsychiatry, ensuring that patients have access to high-quality mental health care regardless of their location. Dr. Daly is dedicated to fostering a supportive therapeutic environment, employing both individual and group therapy approaches tailored to meet the unique needs of each patient.

“I believe in a holistic approach to mental health,” says Dr. Daly. “My goal is to empower patients through integrative treatment options, helping them navigate their mental health journeys with compassion and understanding.”

A member of the American Telemedicine Association and the American Medical Association, Dr. Daly stays at the forefront of psychiatric advancements, ensuring her patients receive the best possible care.
