

Taansen Fairmont Sumeru Opens Up in Exclusive New Online Q&A

Santa Barbara, California Apr 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Visionary thought leader and founder of Brilliance in Commerce, Taansen Fairmont Sumeru, has opened up in a rare and revealing online Q&A, offering an intimate look into his personal philosophies, daily habits, and decades of experience helping individuals reclaim their sovereignty through spiritual and legal mastery.

In the wide-ranging interview, Taansen shares how he includes in each day the practice of deep meditation to access higher guidance, and how that inner alignment fuels his productivity and global impact. He discusses the unique process behind creating *Natural Law Trusts*—private, irrevocable, and spiritually aligned financial structures—and offers his proven system for lawfully eliminating unsecured debt, which has helped countless individuals escape financial enslavement.

Taansen also reflects on formative experiences, including his time studying under Maharishi Mahesh Yogi, earning the title “Governor of the Age of Enlightenment,” and speaking at global investment conferences across the Pacific Rim and Caribbean.

Readers will gain a deeper understanding of the man behind *Sovereignty Consciousness*, *The Natural Law Trust*, and the forthcoming *Cosmic Renaissance – Enlightenment in the Arts*. Blending higher states of consciousness with practical solutions for today’s challenges, Taansen’s message is clear: humanity is on the threshold of a new era—rooted in truth, freedom, and natural law.
