Luxury Redefined: High-Performance Lash Revolution

Milan-Crafted Science for Bold, Dramatic Lashes

Brand Heritage

Created by visionary founder XINGUO LIN and developed in Milan's prestigious beauty labs, TEREZ & HONOR merges Italian luxury with cutting-edge biotechnology. Our serum delivers salon-grade results in the comfort of your home.

Innovative Technology

- Bio-PeptiComplex™ Dual Action:

Stimulates lash growth at the cellular level, increasing density by 47% in 14 days (clinical data).

- Ceramic Micro-Roller Applicator:

Enhances absorption by 30% while cooling the delicate eye area.

- 24/7 Protection & Nourishment:

Infused with hyaluronic acid and keratin to shield lashes from heat styling and environmental damage.

Why Choose Us?

- Fast, Visible Results: 93% of users report reduced mascara dependency after 3 weeks.

- Luxury Experience: Gold-accented packaging with magnetic closure, ideal for travel.

- Rigorous Safety: Dermatologist-tested and compliant with EU ISO 22716 cosmetics standards.

Customer Stories

“TEREZ & HONOR transformed my short lashes into showstoppers. Worth every penny!” — Sofia L., Paris

“It’s like a lash extension treatment in a bottle—minus the salon visits!” — Clara M., Milan
