

The Intellify Announces Participation in GITEX Europe 2025, Showcasing Advanced Technology Solutions

Plano, Texas Apr 8, 2025 ([IssueWire.com](https://www.issuewire.com)) - The Intellify, a global leader in AI, AR/VR, and enterprise technology solutions, will make a powerful impact at **GITEX Europe 2025, held from May 21 to 23 at Messe Berlin, Germany.**

As one of the world's premier technology exhibitions, **GITEX Europe** gathers top industry leaders,

innovators, and decision-makers. Intellify will present **AI-driven automation, Industry 4.0, IoT, Augmented and Virtual Reality, and Cloud and DevOps solutions**, showcasing how businesses can accelerate digital transformation through cutting-edge technology.

Industry-Specific Solutions at GITEX Europe 2025

At [GITEX Berlin 2025](#), The Intellify will showcase its expertise in **industry-specific solutions** designed to drive efficiency, automation, and innovation across multiple sectors:

- **Alris.ai – HR & Operations Automation (Official Launch at GITEX!)** – AI-driven chatbots and agentic agents to automate recruitment, onboarding, and interview scheduling, transforming HR operations with efficiency and intelligence.
- **InsureTech & Healthcare** – Leveraging AI and cloud-native solutions to enhance user experiences, automate insurance claims and healthcare processes, and ensure security and scalability.
- **Metaverse Sports Engagement Platform** – AI-powered 360° Metaverse experiences that enhance fan engagement, virtual sports events, and interactive brand activations.
- **Training & Simulation in Manufacturing** – Industry 4.0-powered virtual training solutions that provide immersive learning experiences for industrial and technical workforce training.
- **AR Navigation** – Augmented Reality-powered navigation solutions for indoor and outdoor environments, enhancing real-time wayfinding, logistics, and accessibility.

Next-Gen Technology That Drives Innovation

Beyond industry-specific solutions, The Intellify is **pioneering** [digital transformation in Berlin](#) through:

- **Artificial Intelligence (AI) & Machine Learning (ML)** – AI-driven systems enhancing decision-making, automation, and operational efficiency.
- **Industry 4.0 & IoT Solutions** – Smart manufacturing and real-time data exchange for intelligent, automated, and connected industrial operations.
- **Augmented Reality (AR) & Virtual Reality (VR)** – Immersive experiences transforming business, consumer engagement, and training simulations.
- **Cloud & DevOps Solutions** – Scalable cloud integration and agile DevOps methodologies for optimized software performance and seamless deployments.
- **Web & Mobile App Development** – Expert-driven custom software, web solutions, and mobile applications (native & hybrid), leveraging AI/ML and emerging technologies to deliver high-impact digital experiences.
- **Legacy Modernization & Digital Transformation** – Upgrading legacy systems with advanced technologies, automation, and cloud migration to enhance scalability, security, and efficiency.
- **Product Development for Startups** – End-to-end product development, from idea validation to market-ready solutions.

Meet The Intellify at GITEX Europe 2025

“We’re excited to bring our AI-driven innovations to GITEX Europe 2025,” said **Shravan Rajpurohit**, CEO of The Intellify. “This is the perfect platform to connect with global tech pioneers, showcase our expertise, and explore game-changing collaborations.”

Visit The Intellify at **Booth H2.2-C15, Hall 2.2** to experience **live demos, expert insights, and the**

latest in AI, AR/VR, and cloud transformation.

About The Intellify

Since 2018, The Intellify has been at the forefront of **AR/VR** and **Mobile App Development**, delivering innovative, business-driven solutions. With a global presence across **North America, Europe, Asia, the Middle East, and Africa**, the company has successfully delivered **250+ projects across 15+ industries for 100+ clients**.

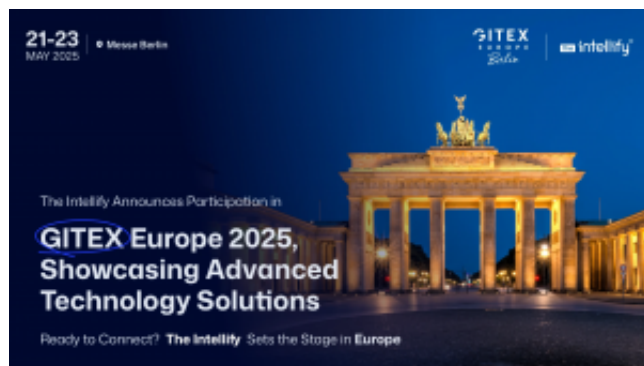

By leveraging **rapid prototyping, AI-driven automation, and agile methodologies**, The Intellify empowers businesses to accelerate **digital transformation** and redefine **user experiences**.
