Mona Clayton, MSN, RN, CEO and Founder of The Nurses Pub, shared her excitement for the future:

“The Nurses Pub has always been about transformation—transforming lives, careers, and communities through the power of nursing. I am honored to welcome our 2025 Board of Directors, whose collective vision and leadership will help us create even greater opportunities for aspiring nurses, particularly those from underrepresented backgrounds. With this team, we are not only dreaming bigger, but building a stronger, more inclusive future for healthcare.”

As The Nurses Pub continues to build on its success through mentorship programs, scholarships, and innovative community partnerships, the new Board of Directors will play a pivotal role in scaling impact and deepening engagement nationwide.
