

The only church in the world where all members master the Book of Revelation, Shincheonji Church of Jesus

97% of all members take a weekly Bible test—99.9% of whom score 90% or higher.

Chicago, Illinois Apr 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - There is a church where all members master the Book of Revelation by taking a Bible test every week. It is Shincheonji Church of Jesus, the Temple of the Tabernacle of the Testimony (General Chairman Man-hee Lee, hereinafter referred to as Shincheonji Church of Jesus). This is a place where only those who have studied introductory, intermediate, and advanced levels at the Zion Christian Mission Center and passed the graduation exam (consisting of about 100 questions) can enter the church. It is famous worldwide for holding graduation ceremonies for over 100,000 people four times in a row.

Recently, Chairman Lee Man-hee of Shincheonji Church of Jesus has been touring branches of the church across South Korea. Every time he goes up to the stage to preach, he cites Revelation 22:18-19, saying, “You must not add to or subtract from the Book of Revelation. Those who add to or subtract from it cannot enter heaven,” and that the Book of Revelation must be recorded in one’s hearts and mind.

The Shincheonji General Assembly Education Department is currently conducting a ‘Sealing Confirmation Exam’ for Shincheonji members around the world, in accordance with Chairman Lee Man-hee’s intention to seal all members so that they are eligible to enter heaven. This test, which started online when the world was struggling from COVID-19, is now conducted in person at the church and internationally every week, so that Shincheonji Church of Jesus members around the world can become walking Bibles.

A Shincheonji Church of Jesus official said, “The only way to know the true meaning and reality of the Book of Revelation is to receive testimony from witnesses who saw and heard the actual events of the Revelation when it was fulfilled. Today, Christians worldwide have never seen or heard the reality of the

Book of Revelation fulfilled, so everyone from pastors to members has added to or subtracted from the Book of Revelation.”

“Excluding Shincheonji members, there is not a single Christian in the world who has not added to or subtracted from it. Revelation 22:18-19 says that if you add or subtract from the Book of Revelation, you will not be able to enter heaven, but pastors and members of the church do not even worry about adding or subtracting from the Book of Revelation. How can this be called true faith?” He continued, “Shincheonji Church of Jesus, which is considered a heresy by Catholics and Protestants, has all of its members master the Book of Revelation. However, Catholics and Protestants have added to the Book of Revelation, including their pastors and followers. So, judge who is truly orthodox and who is truly heretical by the Bible.”

The Bible test that all members of Shincheonji Church of Jesus take every week centers around the prophecies of the four gospels of the New Testament and the entire Book of Revelation. Shincheonji Church of Jesus explained that this test is a training to seal God’s word in one’s heart and to keep the New Covenant Book of Revelation.
