

Xenhire to Participate in Dubai AI Festival 2025

Xenhire, a platform utilizing artificial intelligence for video-based interviews and assessments, will participate in the Dubai AI Festival (DAIF) on April 23–24, 2025, at Booth G-16 in Madinat Jumeirah, Dubai.

Dubai, United Arab Emirates Apr 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Xenhire](https://www.xenhire.com), a platform that uses artificial intelligence to facilitate video-based interviews and assessments, will be participating in the Dubai AI Festival (DAIF) scheduled for **April 23–24, 2025, Booth G-16, at Madinat Jumeirah, Dubai.**

The platform is used by universities and companies to streamline candidate evaluation through features such as adaptive questioning, real-time feedback, and language support. It also integrates learning modules to support candidate preparation. Representatives from Xenhire will be present at the event to provide live demonstrations of the platform, including its AI-based mock interviews, career readiness simulations, and analytics tools aimed at improving hiring processes.

The [Dubai AI Festival](https://www.dubai.aifestival.ae), organised by the Dubai AI Campus in collaboration with the Dubai International Financial Centre (DIFC) and the UAE Minister of State for Artificial Intelligence, is held under the directives of H.H. Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum. The event is expected to draw over 8,000 attendees, including business leaders, investors, and AI experts from across the globe.

“We’ve designed Xenhire to address real challenges in hiring and candidate preparedness,” said Navaldeep Singh, Director, Xenhire. “DAIF offers an important platform to engage with stakeholders and share our approach to AI-enabled recruitment.”
