

zHealth Awarded 2025 “Best of” Badge for Excellence in Chiropractic Software

Built on Trust: zHealth Wins 2025 “Best Of” Award Based on Verified Customer Reviews

San Francisco, California Apr 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - zHealth, a leading provider of practice management software for wellness providers, has been awarded the prestigious **2025 “Best of” Badge**. This prestigious award, based on verified user reviews ranking zHealth in the top 25% of its category, validates the company's dedication to serving chiropractic and wellness providers across the U.S.

"We're honored to be recognized by the very people we serve, chiropractors and wellness practices, such as massage therapy, acupuncture, physical therapy, and occupational therapy, who trust zHealth to simplify their workflows, boost revenue, and enhance patient experience," said Sukhi Singh, CEO and founder of zHealth. "This badge validates our mission to empower practices with software that actually works for them, not against them."

Gartner's “Best of” Badge represents a gold standard in software excellence, awarded to solutions that consistently exceed user expectations. This recognition is grounded in verified user reviews and

reflects outstanding performance, high customer satisfaction, and strong market credibility, key factors for practices assessing software options. To earn this distinction, a product must maintain an average rating of **4.5 stars or higher** and rank within the top 25% of its category in the practice management software space.

zHealth's practice management solution for wellness providers stands out for its:

- **All-in-one platform** with scheduling, billing, SOAP documentation, digital intake, payments, recall, reviews, texting, and [patient communication tools](#).
- zHealth provides **world-class customer support** via chat, phone, and email. Their team is responsive, knowledgeable, and dedicated to helping clinics make the most of the platform.
- **Intuitive and user-friendly design** tailored specifically for chiropractic and wellness providers.

With thousands of clinics now relying on zHealth, this award reinforces the platform's growing reputation as one of the most loved and reliable software solutions in the wellness space.

zHealth has been honoured with the prestigious 2025 "Best of" Badge from Gartner Digital Markets by consistently delivering exceptional value and user satisfaction. This honor recognizes our consistent delivery of exceptional value and high user satisfaction. Awarded exclusively to solutions ranking within the top 25% of their category and achieving an average verified user review rating of 4.5+ or higher based on verified, published user reviews collected over the past 12 months. Backed by Gartner's rigorous research and review validation standards, this badge reflects zHealth's strong category fit, outstanding performance, and the trust of its growing customer base of chiropractic and wellness providers across the U.S.

About Gartner

Gartner is a leading research and advisory company that provides software buyers and business leaders with indispensable business insights, advice, and tools they need to make critical business decisions. The Best badge recipients are determined by the subjective opinions of individual end-user customers based on their own experiences, the number and timing of published reviews on Gartner's digital sites (Capterra.com, SoftwareAdvice.com, and GetApp.com), and review ratings for a given product in the category, and are not intended in any way to represent the views of Gartner or its affiliates.
