

Angela Cole, RN, BSN, CLNC: Elevating Excellence in Nursing at the University of Toledo Medical Center

From Bedside to Legal Expertise — Advancing Patient Care Across Clinical and Legal Fronts in Toledo, Ohio

New York City, New York May 28, 2025 ([IssueWire.com](https://www.issuewire.com)) - Graduating with her Bachelor of Science in Nursing from Lourdes University in 2014, Angela Cole, RN, BSN, CLNC, is making significant strides in the healthcare field as a Registered Nurse and Certified Legal Nurse Consultant. Since joining the University of Toledo Medical Center in July 2016, Angela has exemplified the essence of compassionate care and professional excellence in her roles as a Float Nurse, 5AB Staff Nurse, and MICU Staff Nurse.

In her current position, Angela is responsible for maintaining the highest standards of professional nursing care and coordinating comprehensive patient care, while being acutely aware of age-specific needs. Her commitment to each patient is evident in the way she tailors her approach to meet diverse health requirements, ensuring every individual receives the best possible care.

Angela's leadership qualities shine through her collaborative efforts with fellow healthcare professionals. By fostering a team-oriented environment, she has been instrumental in driving optimal patient outcomes in the Intensive Care Unit (ICU). Her ability to work cohesively with others not only enhances the care provided to patients but also promotes a supportive atmosphere for her colleagues.

In addition to her nursing responsibilities, Angela also serves as a Certified Legal Nurse Consultant, providing in-depth medical case analysis for attorneys involved in various legal issues, including medical malpractice, toxic tort, personal injury, and product liability. Her unique skill set allows her to bridge the gap between healthcare and the legal system, offering invaluable insights and expertise that benefit both patients and legal professionals alike.

Angela attributes her success to her humility, a strong willingness to learn and teach, and the collaborative spirit that permeates the ICU team. "I believe that every day is an opportunity for growth," she says. "Learning from my colleagues and sharing knowledge is what makes our unit strong and effective. Together, we create an environment where patients feel safe and cared for."

As Angela continues to advance in her career, her dedication to nursing and the well-being of her patients remains unwavering. The University of Toledo Medical Center is fortunate to have such a passionate and skilled nurse on their team, and Angela's journey inspires others in the field of healthcare.
