

Capstone Announces Grand Inauguration of New Office in Madurai

We're excited to announce the grand opening of our new office in Madurai! Join us as we celebrate this new chapter of innovation and growth.

Madurai, Tamil Nadu May 14, 2025 ([IssueWire.com](https://www.issuewire.com)) - Capstone, a leading provider of architectural, structural, and industrial engineering solutions, is proud to announce the grand opening of its new office in Madurai, Tamil Nadu. This strategic expansion marks a significant milestone in the company's continued growth and commitment to serving clients with high-quality, innovative, and efficient engineering services.

With the city of Madurai emerging as a regional hub for construction and infrastructure development, this move enables [Your Company Name] to better connect with its clients in the southern region of India and deliver tailored solutions that meet local and global demands.

Expanded Services from the Madurai Office

From the new Madurai office, the company will offer its full suite of services, including:

- **Architecture Services:** Residential and commercial building design, interior architecture, 3D visualization, and sustainable design.
- **Structural Engineering:** RCC and steel structures, retrofitting, foundation design, and

structural BIM services.

- **Industrial Engineering:** Plant layout design, equipment foundation, MEP coordination, and process optimization.
- **BIM Services:** As a trusted BIM service provider, the company offers complete architectural and structural BIM services, clash detection, construction documentation, and project coordination.

A Memorable Inauguration Celebration

The inauguration event was celebrated with enthusiasm and warmth, welcoming clients, partners, and team members. Guests toured the new facility, witnessed the ribbon-cutting ceremony, and explored the company's upcoming projects and service capabilities.

Strengthening Regional Reach

With this expansion, [Your Company Name] strengthens its ability to respond faster, collaborate better, and manage large-scale, multidisciplinary projects with ease. The new office will serve as a hub for innovation, client engagement, and design excellence.
