

Carte Blanche Expands Global Reach in Citizenship by Investment Services

Trusted Dubai-Based Firm Now Offers Customized EU Residency and Caribbean Passport Solutions

Dubai, United Arab Emirates May 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Carte Blanche, a government-authorized immigration and investment advisory consultancy based in Dubai, proudly announces the expansion of its global services to help clients secure second citizenship and [EU residency programs](#) through investment. Established in 2011, Carte Blanche has become a trusted name in citizenship-by-investment programs, offering strategic advice and legal assistance for individuals and families seeking new opportunities abroad.

With growing demand for **Caribbean citizenship, European Golden Visas**, and [second passport](#) solutions, Carte Blanche now provides customized services across **Italy, Portugal, Malta, Greece, St. Kitts & Nevis, Dominica**, and more.

We believe global mobility and security should be accessible to those who invest in their future, said a senior team member at Carte Blanche. "Our mission is to offer reliable, confidential, and client-first services to those who want more freedom, safety, and opportunity."

Carte Blanche stands out for its transparent process, global legal network, and commitment to client confidentiality. From initial consultation to final passport delivery, the team ensures a smooth, legal, and compliant path to residency or citizenship.

About Carte Blanche

Founded in 2011, Carte Blanche is a **Dubai-based government-approved and licensed immigration consultancy established in 2011** specializing in second passports and [citizenship by investment](#) programs worldwide. The company partners with legal experts, real estate developers, and

government bodies to offer strategic immigration solutions tailored to high-net-worth individuals.
