

## CG Logistics Showcases Comprehensive Logistics Capabilities at MRO XPO India 2025

New Delhi, Delhi Jan 10, 2026 ([Issuewire.com](https://www.issuewire.com)) - [CG Logistics \(CGL\)](https://www.cgl-logistics.com), India's premier provider of time-critical and aerospace logistics solutions, proudly showcased its full spectrum of services at **MRO XPO India 2025**—reaffirming its leadership position in high-performance logistics and global freight operations.

CGL's participation in the prestigious event highlighted its integrated suite of services tailored for aviation, defense, MRO, and high-stakes industries. The company continues to deliver exceptional performance across seven key logistics verticals:

- **Global Service Solution** – Seamlessly managing cross-border logistics with efficiency and compliance across continents.
- **Domestic Freight Solutions** – Fast, flexible, and reliable freight movement across India with nationwide reach.
- **AOG Support** – Dedicated Aircraft on Ground (AOG) services ensuring immediate response and rapid part delivery to minimize aircraft downtime.

- **Warehousing Management** – Secure, scalable, and tech-driven warehousing solutions aligned with supply chain needs.
- **Time-Critical Shipments** – Specialized handling for urgent, high-value shipments where every minute matters.
- **Project Cargo Management** – End-to-end management of oversized, heavy-lift, and complex cargo operations.
- **On-board Courier (OBC)** – Personalized hand-carry delivery solutions for critical and confidential shipments globally.

“We’re proud to be a trusted logistics partner to some of the most demanding industries in the world,” said **Mr. Rajesh Dubey**, *Founder & CEO of CG Logistics*. “At MRO XPO India 2025, we demonstrated how our solutions are not just about speed and precision—but about delivering excellence, every single time.”

As part of its ongoing innovation and commitment to sustainability, CGL also introduced **Shiper**, its domestic wing powered by a next-generation [Electric Vehicle \(EV\) fleet](#). Designed to reduce carbon emissions and promote cleaner logistics, Shiper represents a strategic move toward eco-friendly transportation without compromising operational integrity.

With a growing portfolio and a future-focused approach, [CG Logistics](#) continues to drive transformation in the logistics sector—offering unmatched reliability, service excellence, and now, environmental responsibility.
