www.thetunesclub.com

tribute to the brave fallen soldiers at war, and The Tunes Club is taking this opportunity to offer music artists a special sale offer. The company is embarking on its **Memorial Day Sale**, which **starts on May 27**. It will be active **till June 3** and empower all kinds of music artists by offering [Spotify Music Promotion services](#) at a **15% flat off**. This discount offer can be a golden opportunity for all kinds of music artists to create a huge buzz and gain more active listeners. Starting from independent artists to well-established moguls, all kinds of music artists can find benefits with this sale.

The Tunes Club is best known for its highly effective promotional packages that can empower all kinds of artists, whether a singer, a rapper, or a DJ. The platform specializes in Spotify promotion and offers a total of four different promotional packages to fulfill the promotional needs of the music artists. For the beginners, there is the Spotify Marketing Package, which costs very little and helps to promote 1 single track through 60+ curated playlists and offers **around 3k to 3.5k listeners**. The numbers can reach higher in the case of Spotify Promotion Pack, where artists can promote 2 tracks through 90+ curated playlists. Artists can get an extra discount on this if purchased on a weekly recurring basis. It can help to gain around **7k to 7.5k listeners** along with paid press release distribution. Once the work is complete, the company sends a detailed analytical report on the campaign so that artists can find out more insights.

A music artist on Spotify can also find Spotify Marketing Pro Pack, which helps to promote a total of three songs through 120+ curated playlists based on various genres and moods. This package can help generate more than **10k to 11k listeners** while targeting relevant audiences. It also helps to bring more web traffic and online engagement. Last but not least, there is Spotify Promotion Pro Pack, which can be considered the ultimate package for promotion, where artists can promote four different tracks through 180+ curated playlists. This package can provide up to **14k to 15k listeners**, and it also includes content marketing approaches through **Press Releases, Music Blogs, and Artist Reviews**. The company helps to reach target audiences with more effectiveness and relevance.

The latest Memorial Day Sale offered by The Tunes Club can help Spotify music artists by offering them promotional benefits at a very nominal budget. The sale is **starting from May 27** and will empower music artists **till June 3**. The company is encouraging the rising the artists to avail of this opportunity of gaining **15% discount** on all promotional packages. Visit the website to find out more.
