

Crocoblock Celebrates 7 Years of Building, Growing, and Empowering a Global Web Creator Community

Fort Lauderdale, Florida May 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Crocoblock](https://crocoblock.com), the all-in-one toolkit for **building dynamic WordPress websites**, proudly celebrates its 7th anniversary – a milestone defined not just by numbers, but by the people and projects that have shaped its journey.

Founded with the vision to make advanced website creation doable to everyone, Crocoblock has grown into a global ecosystem trusted by developers, freelancers, and agencies alike. What began as a bold idea has evolved into 100,000+ websites built, 30,000 community members connected, and a team of 83 experts constantly pushing boundaries.

“Crocoblock isn’t just a company – it’s a learning space, a support system, and a launchpad for creativity,” says Jules, Product Manager of nearly six years. *“And our users? They constantly surprise us with brilliant use cases that go far beyond what we imagined.”*

7 Years of Impact

- **100,000+ websites created** with JetPlugins
- **30,000+ community members**, including on Discord
- **1,500+ plugin updates and releases**
- **367,000 support chats & 127,000 tickets resolved**
- **6.7 million YouTube views** and **755 educational blog posts**

Whether it’s via support tickets, Zoom calls, or tutorials, Crocoblock has built its legacy by helping creators turn ideas into interactive, scalable websites – without limits.

“It’s a family,” adds Mary, Customer Care Manager. *“We grow together, support each other, and show up for our users every day.”*
