

Dapper Chum Offers Two Enticing Versions for 'Let It Move Ya'

Toronto music artist Dapper Chum, brings the musical treats in the music industry with two amazing versions of 'Let It Move Ya'. It is the perfect summer anthem, liked by everyone.

Toronto, May 20, 2025 ([Issuewire.com](https://www.issuewire.com)) - Offering listeners a different taste and a unique charm of electro pop music, **Dapper Chum** has delivered an amazing track called '**Let It Move Ya**', which has gained a lot of attention from global listeners. The artist has also dropped another version of this composition, which is titled '**Let It Move Ya (V1.0)**'. Each version of the track is crafted with utmost care and creativity, which makes them sound more organic and enjoyable at the same time. It is a

summer pop anthem that is breezy, enjoyable, and perfect for enjoying with friends and loved ones. **Dapper Chum** is the musical alter ego of Matthew Kay who is a versatile music artist from Toronto, Ontario. He is a songwriter, music producer, multi-instrumentalist proficient in composing beats, producing new music with guitars, bass, synths, piano and other instruments. Being quite dynamic and talented with his skills; he embarked on his musical journey with nothing but a sheer will. With his individuality and creative essence, the artist has created his own genre that draws elements from pop, electro pop and EDM music. The release of '**Let It Move Ya**' also highlights this artist's continuous musical journey, where his consistency led him to success. The project was released under the label of Tempodrawn and Vitalphonic, and now it is one of the top tracks of **Dapper Chum**. The artist is busy working on his debut album project 'move', and it is set to release this summer. He wants to "let the music speak for itself"!
