Dallas, Texas May 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - In her new book *The Accountability Advantage: 5 Proven Steps to Build a Culture of Trust, Ownership, and Results*, executive coach and leadership expert Dr. Quendrida Whitmore provides overwhelmed leaders with a fresh, actionable framework to inspire performance without burnout, fear, or micromanagement.

Drawing from over 25 years in senior leadership roles at Target, Ross, and WeWork, Dr. Whitmore unveils a five-step method that transforms reactive managers into intentional, empowering leaders. The book targets professionals who want to stop over-functioning and start building high-performing teams that own outcomes - even when the leader isn't in the room.

"Leadership is meeting the team where they are and helping them get to where they, the business, and the team need and want to be," says Dr. Whitmore.
