

Dr. Adrian Lindsey Advances Hepatology and Gastroenterology Care in Ohio with Academic and Clinical Leadership

Affiliated with top medical centers, Dr. Lindsey combines expert care with a passion for education and innovation

New York City, New York May 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Adrian Lindsey, MD, a board-certified gastroenterologist and hepatologist, is making significant contributions to digestive health care in Ohio through his work with MetroHealth Medical Center and University Hospitals Cleveland Medical Center. In addition to his clinical roles, Dr. Lindsey serves as a Clinical Assistant Professor at Case Western Reserve University School of Medicine, where he helps shape the next generation of physicians.

Dr. Lindsey received his medical degree from the University of Cincinnati College of Medicine before completing an internal medicine internship and residency at University Hospitals of Cleveland. He went on to complete a prestigious fellowship in Gastroenterology and Transplant Hepatology at the same institution, gaining expertise in diagnosing and managing complex liver and gastrointestinal conditions.

Highly regarded for his thoughtful approach to patient care and his commitment to medical education, Dr. Lindsey combines academic insight with hands-on clinical excellence. His dual focus allows him to stay at the forefront of gastroenterological advancements while maintaining a strong connection with patients and students alike.

Dr. Lindsey credits his success to the guidance of his mentors and those who consistently encouraged him to embrace new challenges. His continued dedication to innovation, collaboration, and compassionate care reflects the values that drive his work and ensure lasting contributions to both the medical field and the community he serves.
