

Dr. Ahmed Malik Joins Exceed Medical, Strengthening Neurocritical Care in Texas

Experienced physician brings advanced training and a patient-centered approach to critical neurological care

New York City, New York May 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Texas — Exceed Medical is proud to welcome Dr. Ahmed Malik, MD, MPH, to its team of dedicated specialists, where he will provide expert care in the field of Neurocritical Care. With a strong academic foundation, clinical experience, and a deep commitment to patient outcomes, Dr. Malik is poised to make a lasting impact on critical care neurology in Texas.

Dr. Malik earned his medical degree from Shifa College of Medicine in 2010, followed by a distinguished fellowship at the Zeenat Qureshi Stroke Research Center (2013–2018), where he focused on stroke prevention and treatment. He completed his residency in Internal Medicine at the UCF College of Medicine/HCA GME consortium program (2018–2022) and most recently finished a Neurocritical Care fellowship at Tufts Medical Center (2022–2024), equipping him with the skills to manage complex neurological emergencies.

Known for his clinical precision and compassionate care, Dr. Malik has developed a reputation for excellence in treating patients with acute brain injuries, stroke, and other life-threatening neurological conditions. His multidisciplinary approach and commitment to evidence-based medicine align with Exceed Medical's mission to deliver exceptional, patient-centered care.

Dr. Malik attributes his professional achievements to hard work, perseverance, and the upbringing of his mother. As he begins this new chapter with Exceed Medical, he looks forward to advancing neurocritical care practices and contributing meaningfully to the well-being of patients across the region.
