

# **Dr. Christopher J. Scola, MD: A Leader in Rheumatology Care in Connecticut**

**Board-Certified Rheumatologist Celebrated for Clinical Excellence, Patient-Centered Care, and Academic Leadership**

**New York City, New York May 12, 2025 ([IssueWire.com](https://www.issuewire.com))** - Dr. Christopher J. Scola, MD, a distinguished board-certified rheumatologist, continues to set the standard for compassionate, evidence-based care in Connecticut. With over 25 years of experience, Dr. Scola is renowned for his expertise in diagnosing and managing complex autoimmune and musculoskeletal disorders, including rheumatoid arthritis, lupus, gout, and vasculitis. He currently practices at Rheumatology Associates, P.C. in Glastonbury and is affiliated with Hartford Hospital, one of the state's top-ranked medical centers.

Dr. Scola's academic journey began at Trinity College, followed by earning his medical degree from the University of Connecticut School of Medicine in 1990. He completed his internal medicine residency at Beth Israel Deaconess Medical Center, a Harvard-affiliated hospital, and pursued a rheumatology fellowship at Boston University School of Medicine. His commitment to advancing the field is evident through his tenure as Chief of Rheumatology at Hartford Hospital from 2011 to 2018 and his role as an Assistant Clinical Professor of Medicine at the University of Connecticut School of Medicine.

Patients consistently commend Dr. Scola for his thorough, empathetic approach and dedication to individualized care. He has earned perfect 5-star ratings across key categories such as time spent with patients, clarity of communication, and follow-up care. His practice integrates advanced diagnostic tools, including musculoskeletal ultrasound, for which he holds additional certification, ensuring precision in both diagnosis and treatment. Rheumatology Associates also offers in-office joint injections and infusion therapy, providing comprehensive care under one roof.

Beyond clinical practice, Dr. Scola is an active contributor to medical research, with published work in peer-reviewed journals on topics such as vasculitis, musculoskeletal ultrasound, and systemic autoimmune diseases. He is a Fellow of the American College of Rheumatology and serves on the board of the Connecticut Rheumatology Association, reflecting his leadership within the professional community.
