New York City, New York May 28, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Jesus Mendiolaza, MD, MPH, FACC, FASE, FSCMRI, a distinguished cardiologist based in Naples, Florida, has been named one of the “Top 10 Best Cardiologists in the United States” by Forbes, Press Media Up, and AP News. With over 23 years of experience, Dr. Mendiolaza is renowned for his expertise in non-invasive and invasive

cardiology, as well as advanced cardiac imaging techniques. _

Holding 27 active state medical licenses, Dr. Mendiolaza offers concierge cardiology services across the United States, Europe, and South America, providing personalized care to patients across all the mentioned continents. His home-based practice in Naples serves as the hub for his expansive network, ensuring accessible and high-quality cardiac care worldwide.

Dr. Mendiolaza's commitment to excellence is further demonstrated by his recent board certification in Advanced Heart Failure and Heart Transplant by the Heart Failure Society of America in 2024, the highest level of certification in this specialty. His academic journey includes a medical degree from Federico Villarreal National University in Lima, Peru, followed by advanced training at prestigious institutions such as UCSF, Stanford University, NIH, Harvard University, the University of Illinois, and Robert Wood Johnson-Rutgers University School of Medicine, among others.

In addition to his clinical practice, Dr. Mendiolaza is actively involved in global cardiac imaging research. He presented his findings at international symposiums in Budapest and London in January 2024, showcasing advancements in cardiac CT and MRI. In addition, he presented his compelling studies in Amsterdam, Cologne, and Paris in 2025. His work emphasizes the integration of cutting-edge imaging modalities to improve patient outcomes. He has recently applied his expertise in structural heart disease in Buenos Aires, Argentina, Santiago, Chile, and São Paulo, Brazil.

Dr. Mendiolaza's dedication to patient education is evident through his participation in community health initiatives, such as the heart health lecture at Coconut Point in Estero and Naples, Florida. By combining clinical expertise with a passion for teaching, he continues to make significant contributions to the field of cardiology within the United States and all over the world.
