

Dr. Mingqian Huang Brings Advanced Musculoskeletal Radiology Expertise to Mount Sinai Health System

Board-certified radiologist offers specialized diagnostic insight across multiple Mount Sinai locations in New York

New York City, New York May 15, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Mingqian Huang, MD, a board-certified radiologist with specialized expertise in musculoskeletal radiology, continues to make a significant impact in the field of diagnostic imaging through his affiliations with several key institutions within the Mount Sinai Health System. His clinical focus supports patient care across Mount Sinai Morningside, Mount Sinai Beth Israel, Mount Sinai Brooklyn, Mount Sinai Queens, Mount Sinai Hospital, and Mount Sinai West.

Dr. Huang began his medical career with a degree from Beijing Medical University in 2010. His post-graduate training includes an internship in Internal Medicine at Hurley Medical Center (2004–2005), a radiology residency at NYU Medical Center (2005–2009), and a fellowship in Musculoskeletal Radiology at NYU Grossman School of Medicine (2009–2010). This rigorous academic and clinical foundation has positioned him as a trusted expert in imaging the bones, joints, and soft tissues.

With over a decade of experience in advanced radiologic techniques, Dr. Huang is recognized for his precision, clinical collaboration, and dedication to accurate, timely diagnoses. His work plays a crucial role in guiding treatment for conditions ranging from sports injuries and arthritis to complex trauma and orthopedic disorders.

Dr. Huang's presence across multiple Mount Sinai hospitals ensures broad access to his subspecialty expertise for patients throughout New York City. He continues to be a valued resource for both patients and referring physicians, offering a depth of knowledge and skill that enhances outcomes and advances the standard of care in musculoskeletal imaging.
