

Dr. Pamela P. Hayes: Advancing Cancer Care with Compassion and Expertise in Dallas

Board-Certified Hematologist-Oncologist at Texas Oncology and Medical City Dallas

New York City, New York May 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Pamela P. Hayes, MD, is a distinguished hematologist-oncologist dedicated to providing exceptional cancer care at Texas Oncology and Medical City Dallas. With over a decade of experience, Dr. Hayes specializes in treating a range of cancers, including breast, lung, colorectal, and kidney cancers, as well as blood disorders such as anemia and leukemia. Her commitment to patient-centered care and clinical excellence has made her a trusted physician in the Dallas medical community.

Dr. Hayes earned her medical degree from the University of Texas Medical Branch School of Medicine in 2014. She completed her residency in Internal Medicine and a fellowship in Medical Oncology at Baylor University Medical Center between 2014 and 2020. Board-certified in Internal Medicine, Hematology, and Medical Oncology, Dr. Hayes brings a comprehensive approach to cancer treatment, integrating the latest medical advancements with personalized care plans.

At Texas Oncology's Medical City Dallas location, Dr. Hayes collaborates with a multidisciplinary team to offer a full spectrum of oncology services, including chemotherapy, radiation therapy, diagnostic imaging, laboratory services, and access to clinical trials. This integrated approach ensures that patients receive coordinated and efficient care tailored to their individual needs.

Patients consistently commend Dr. Hayes for her compassionate demeanor and thorough communication. With a 4.8 out of 5-star rating based on patient reviews, she is recognized for her ability to explain complex medical information clearly and for her attentive listening skills. Her practice accepts a wide range of insurance plans, including Medicare, Medicaid, Aetna, Cigna, Humana, and UnitedHealthcare, making her services accessible to a diverse patient population.

Texas Oncology is an independent private practice with more than 500 physicians and 210 locations across the state. For over 35 years, Texas Oncology has been meeting the oncology needs of Texans, offering comprehensive cancer care, including access to clinical trials and advanced treatment options.
