

Dr. Timothy Martin Delivers Expert, Patient-Centered Cardiac Care at BJC Medical Group of Missouri

Board-Certified Cardiologist Specializes in Advanced Heart Diagnostics and Individualized Treatment Plans

New York City, New York May 13, 2025 ([IssueWire.com](https://www.issuewire.com)) - Timothy Martin, MD, FACC, a board-certified cardiologist, is providing comprehensive cardiovascular care to adult patients throughout the St. Louis area. With clinical expertise in a wide range of conditions—from congestive heart failure and coronary artery disease to arrhythmias and peripheral vascular disease—Dr. Martin is committed to improving patient outcomes through personalized, innovative treatment. His diagnostic capabilities include cardiac catheterization, peripheral angiography, transesophageal echocardiography, and the placement and management of cardiac devices.

Dr. Martin is known for his collaborative approach, working closely with a multidisciplinary team to ensure each patient receives a tailored care plan that addresses their unique cardiovascular needs. As a Fellow of the American College of Cardiology (FACC), he integrates advanced interventional techniques with evidence-based medicine, delivering care that is both compassionate and cutting-edge.

A graduate of Saint Louis University School of Medicine, Dr. Martin completed his residency and fellowship in cardiovascular medicine at Saint Louis University Hospital. He currently practices with BJC Medical Group of Missouri, a highly respected healthcare network dedicated to excellence in patient care.

When he's not in the clinic or hospital, Dr. Martin enjoys staying active through hiking, cycling, skiing, and outdoor recreation. He also volunteers as a youth soccer coach and remains actively involved in his church, reflecting his deep commitment to both his patients and his community.
