Fidelis Homes Launches in Middle Tennessee to Serve and Support Military, First Responders, Teachers, and Healthcare Heroes with Compassionate, Expert Real Estate Services

New York City, New York May 9, 2025 ([Issuewire.com](http://www.Issuewire.com)) - Elizabeth Long, the Lead Agent and Director of Fidelis Homes at EXIT Realty Bob Lamb & Associates, is proud to announce the launch of

Fidelis Homes, a specialized real estate division committed to meeting the unique needs of military personnel, first responders, teachers, and healthcare professionals. Located in Murfreesboro, Tennessee, this initiative is designed to honor and support those who dedicate their lives to serving their communities.

With a diverse professional background that spans managing zoo education departments and running a custom carpentry business, Elizabeth combines organization, creativity, and meticulous attention to detail in her real estate practice. As a licensed REALTOR® in Tennessee and an Affiliate with the Homes for Heroes program, she offers clients not only expert guidance through the buying and selling process but also a rebate check after closing—a heartfelt acknowledgment of their service.

At the helm of Fidelis Homes, Elizabeth leads a dedicated team of agents who share her mission of providing compassionate and informed service across Middle Tennessee. “We understand that our clients have unique circumstances and needs,” said Elizabeth. “Our goal is to make the real estate process as smooth and rewarding as possible, while also giving back to those who sacrifice for our communities.”

Fidelis Homes operates in key areas, including Murfreesboro, Dekalb County, Bedford County, Dickson County, Davidson County, Williamson County, and Cheatham County. The team specializes in various aspects of real estate, including buyer representation, investment properties, new construction, and support for military and veteran clients.

Elizabeth’s commitment to the community extends beyond real estate. As an active volunteer with the VFW, she manages their digital marketing department and publishes a monthly digital magazine that provides vital resources for veterans and highlights local veteran-owned businesses. Additionally, her roles as Director of Community Outreach for the VAREP Nashville Chapter and a Board Member of Minutes Wisely reflect her dedication to connecting service members with critical resources and fostering mental health advocacy.

“Real estate is not just about transactions; it's about building relationships and making a positive impact,” Elizabeth emphasizes. “My family’s military background fuels my passion for advocating for our heroes and ensuring they receive the support they deserve.”
