

Empire Window Treatment: The Trusted Name for Window Blinds in NYC and Beyond

New York City, New York May 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Empire Window Treatment is proud to be a leading name in [window blinds in New York City](#). With over 20 years of experience, Empire specializes in offering high-quality, custom window blinds for both residential and commercial spaces. Their dedication to excellence, personalized service, and expert installations has earned them the trust of countless clients across the city.

Empire offers **free consultations** and **free installation** for all products. They work with top brands like **Hunter Douglas**, **Carole Fabrics**, and **Comfortex**. This ensures that every window treatment meets the highest standards of quality and style.

A Wide Selection of Window Blinds

Empire Window Treatment offers a variety of custom window blinds, carefully selected for their durability, style, and performance. Their main offerings include:

Window Blinds:

- **Aluminium Mini Blinds** – Durable and budget-friendly, perfect for precise light control.
- **Wood Blinds** – Elegant, natural, and timeless. Ideal for adding warmth to any room.
- **Faux Wood Blinds** – The look of real wood at a more affordable price. Great for humid spaces

like kitchens and bathrooms.

- **Vertical Blinds** – Designed for large windows and sliding glass doors. A practical, stylish choice.

Expert Consultations and Professional Installation

Empire's team of window treatment specialists brings over two decades of experience to each project. They work closely with clients to provide expert advice and custom recommendations. Every product is measured and installed to ensure a perfect fit, improving both the functionality and appearance of the space.

Smart Technology for Modern Homes and Businesses

Empire is committed to staying at the forefront of technology. Their motorized window blinds offer convenience and ease. You can control them with a remote, smartphone app, or voice commands through Amazon Alexa or Google Home. These modern solutions not only add convenience but also enhance energy efficiency and security.

Serving NYC and Beyond

Empire Window Treatment proudly serves both residential and commercial clients across New York City. From small apartments to large office buildings, Empire delivers tailored window blind solutions to meet every client's needs.

Empire's service areas include:

Albany, Buffalo, Long Beach, Rochester, Bay Ridge, Gramercy Park, Chinatown, Greenwich Village, Park Slope Brooklyn, Queens, Chelsea, Sugar Hill, Upper East Side, Upper West Side, Williamsburg Brooklyn, and Yonkers.
