London, United Kingdom May 27, 2025 ([Issuewire.com](https://www.Issuewire.com)) - This June, **lifesexplicit** and **Amy Rowan – The Suburban Sexologist** are launching the **Unlock Your Sexual Pleasure Summit**, a bold 6-day virtual event challenging the increasing censorship of relationship and wellness education.

From **June 2 to June 7**, the summit brings together over 14 international professionals—including psychologists, educators, and relationship experts—to open up honest, expert-led conversations around emotional connection, personal well-being, and fulfilling partnerships.

This free event offers accessible and practical guidance for individuals and couples seeking to better understand themselves, deepen their connection, and foster a greater sense of confidence and clarity in their intimate lives. It addresses topics often overlooked due to social taboos, misinformation, or restricted access to quality education.

"Personal fulfillment in our relationships and sense of self isn't a luxury—it's essential to overall well-being," says **Leah Spasova**, a psychologist specializing in relationships and founder of lifesexplicit. *"We created this summit to make trustworthy, expert knowledge available to anyone ready to reconnect with themselves and others in more meaningful ways."*

Attendees Will Receive:

- Free access to all 14+ talks across 6 days
- Over \$500 worth of expert resources, digital tools, and educational gifts
- Guidance for improving communication, emotional intimacy, and personal growth in relationships

The event is **free to attend**, with optional **VIP upgrades** for those who'd like lifetime access to the talks, exclusive bonus content, and special offers from speakers and partners.
