www.musicpromotion.club

is offering a special deal to help boost SoundCloud streams organically. As SoundCloud remains a top platform for rising talent, this offer gives artists a great chance to grow. From **May 27 to June 5**, all SoundCloud marketing packages are available at a flat **15% discount**. Artists looking for a more tailored approach can also get **10% off custom promotional packages**. Whether you are new or experienced, this limited-time sale is a perfect chance to reach more listeners, increase visibility, and save money while making progress in the music industry.

Artists from any music genre can use [SoundCloud Promotion Services](#) by choosing from four powerful packages on the Music Promotion Club website. These include the SoundCloud Marketing Package, SoundCloud Marketing Weekly Pack, SoundCloud Promotion Package, and **SoundCloud Promotion Weekly Package**. Each package offers tools like content marketing, social media ads, email campaigns, and more to boost visibility and engagement. For artists needing a more personalized approach, the Custom Package is ideal. It includes features like an Electronic Press Kit and sponsored social media promotion. These SoundCloud Promotion Services help artists grow their audience and succeed with expert support and real results.

The **SoundCloud Marketing Package** is built to help artists gain around **13,000 to 14,000 listeners**, over 130 likes, and 70 or more reposts. It boosts an artist's SoundCloud presence with daily social sharing and targeted content marketing. The package also includes paid press release distribution, Google News coverage, and keyword-based SEO to improve visibility. For ongoing growth, artists can choose the **SoundCloud Marketing Weekly Pack**. This recurring option offers **15% more listeners**, over 200 likes, and 90+ reposts weekly. It also includes a music blog feature for better reach, paid PR, a custom banner, and the chance to promote new tracks every week, making it ideal for artists looking to grow steadily with organic promotion.

Music Promotion Club's **SoundCloud Promotion Package** offers all the same features as the standard plan but with a higher reach. Artists can gain up to **31,000 to 32,000 listeners**, along with 4 hours of daily content marketing and social sharing. It includes keyword-rich content like music blogs and reviews to boost online visibility. The **SoundCloud Promotion Weekly Package** is a premium recurring option that delivers even stronger results, with up to **36,000 to 37,000 listeners**, over 260 reposts, and more than 300 likes. This package also features **press release distribution, two music blogs, two reviews, video creation, email marketing, and event promotion**.

As part of their upcoming sale, the company is offering a **10% discount** on all [custom music promotion packages](#) from **May 27 to June 5**. **Music Promotion Club's** custom packages are for SoundCloud and YouTube promotion, allowing artists to get up to **150,000 organic SoundCloud plays** and **100,000 YouTube views**, depending on their budget and needs. These tailored plans are designed to meet each artist's unique needs and budget. With a custom package, artists can choose from high-quality content marketing and professional **Electronic Press Kits (EPKs)**. They can expand their reach through sponsored promotions on **Facebook, Instagram, and Google Ads**. On top of that, they will receive detailed insights after the campaign, helping guide future marketing efforts more effectively.
