

Fortnite Creator PrettyBoyAM Sets Records with Viral Tilted Zone Wars Game and TikTok Success

With over 1M TikTok followers and more than 3 billion lifetime plays across his Fortnite games, PrettyBoyAM continues to lead the next generation of UEFN creators.

New York City, New York May 13, 2025 ([IssueWire.com](https://www.issuewire.com)) - Rising to prominence on TikTok with over **1 million followers** and **34 million likes**, content creator **PrettyBoyAM** has emerged as one of the most influential voices in the Fortnite creative scene. Best known for his viral UEFN map "**Tilted Zone Wars (AM)**", PrettyBoyAM is now a powerhouse in the world of gaming content, community building, and map design.

As the creator of Tilted Zone Wars — a competitive Zone Wars map featured on the official Fortnite platform — PrettyBoyAM has attracted **millions of players** and built a loyal fanbase across multiple platforms. At one point, PrettyBoyAM's combined Fortnite experiences have exceeded **3 billion lifetime plays**, setting a remarkable milestone in the Fortnite Creative ecosystem., setting a remarkable record in the Fortnite Creative ecosystem.

PrettyBoyAM has been a leading creator in the Fortnite Creative and UEFN (Unreal Editor for Fortnite) community since **2019**, consistently producing innovative, engaging, and top-performing experiences. His longevity and creative excellence have earned him recognition among both players and industry peers.

What makes PrettyBoyAM stand out is his ability to blend viral content with strong design. He actively engages with his audience across TikTok and other social media platforms, listening to community

feedback to guide updates and features in his maps. By staying in tune with what players want, he ensures each experience evolves in real-time alongside the needs of his fanbase. His TikTok clips showcasing gameplay from his maps have reached millions of views, and his Discord server has become a hub for fans to connect, compete, and contribute feedback to future projects.

In addition to his creative work, PrettyBoyAM has played a significant role in shaping the Fortnite creator ecosystem. His maps have inspired numerous up-and-coming developers, and his presence in the UEFN space has helped elevate the visibility of high-quality, player-first content. He frequently collaborates with other creators and influencers, further expanding his reach and reinforcing his role as a community leader.

PrettyBoyAM is also a recognized **Epic Games Partner**, a status granted to top-tier creators who exemplify creative excellence and community leadership within the Fortnite ecosystem. Through this partnership, he has gained access to exclusive tools and insights that allow him to continue innovating and elevating the player experience.

With no plans of slowing down, PrettyBoyAM continues to push the boundaries of Fortnite Creative 2.0 and TikTok gaming content. He represents the new generation of creator-entrepreneurs building careers at the intersection of entertainment, community, and game development. His commitment to quality, creativity, and audience engagement has positioned him as one of the most impactful voices in the gaming world today.
