

Gary Neale, MD, FACS, FASMBS: Delivers Leading Expertise in Advanced Laparoscopic and Bariatric Surgery

Board-Certified Surgeon Offers Comprehensive Minimally Invasive Surgical Care with a Focus on Long-Term Patient Wellness

New York City, New York May 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - Gary Neale, MD, FACS, FASMBS, is a board-certified advanced laparoscopic and bariatric surgeon known for his precision, innovation, and dedication to patient-centered care. He earned his medical degree from the University of Leicester Medical School in England and completed his residency in General Surgery at the Graduate Hospital in Philadelphia, PA. Dr. Neale is certified by the American Board of Surgery and is a Fellow of both the American College of Surgeons (FACS) and the American Society for Metabolic and Bariatric Surgery (FASMBS).

With extensive experience in minimally invasive surgery, Dr. Neale specializes in weight loss procedures such as the gastric sleeve and gastric bypass, helping patients achieve lasting health improvements through surgical solutions tailored to individual needs. His broader surgical expertise includes appendectomy, cholecystectomy, hernia repair, colectomy, adhesion surgery, and robotic-assisted surgery, all performed with a focus on minimizing recovery time and maximizing patient outcomes.

In addition to his surgical practice, Dr. Neale provides diagnostic and therapeutic procedures, including upper and lower endoscopies, tracheostomy, and placement of feeding tubes. His comprehensive approach to care ensures that patients receive seamless support from diagnosis through treatment and follow-up, across a wide range of medical conditions.

Respected by peers and appreciated by patients, Dr. Neale continues to lead in the field of advanced surgery through his commitment to clinical excellence, surgical innovation, and compassionate care. His practice reflects a deep understanding of both the technical and personal aspects of medicine, making him a trusted provider in the communities he serves. Further still, he recently joined the Air National Guard in 2024, was commissioned as a Major, and serves in the role as a trauma surgeon in the 182nd Medical Group based in Peoria, Illinois.
