

Gateway Center Arena Ranked #1 in G-League Visiting Team Experience in College Park

College Park, Georgia May 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - For the fourth consecutive year, Gateway Center Arena has claimed the top spot as the #1 G-League for Visiting Team Experience, earning high praise for its security, cleanliness, and hospitality. This prestigious recognition highlights the Arena's commitment to providing athletes, coaches, and staff with a world-class experience.

Gateway Center Arena's ranking as #1 in the G-League for the fourth year in a row continues to prove

that it is more than just a venue. It provides a communal experience with an unwavering focus on safety and accommodation. With its top-notch security efforts, the Arena constantly raises the bar for what visiting teams should expect.

A key factor in the Arena's top ranking for multiple years is its close partnership with the Atlanta Airport Marriott Gateway Hotel. Just a short walk from the Arena, the hotel offers unmatched convenience and comfort to visiting teams. This partnership ensures a safe, professional, and enjoyable experience from arrival to departure. With luxurious accommodations, modern amenities, and a commitment to exceptional service under the leadership of General Manager David Offenhauser, the Marriott plays a vital role in enhancing the overall experience for G-League teams visiting College Park.

"This isn't just a win for us—it's a celebration of the people and passion that make Gateway Center Arena such an outstanding place to visit," said Yanous Barner, General Manager of Gateway Center Arena. "This achievement reflects our ongoing dedication to excellence and our commitment to delivering a first-class experience for all who compete and perform at our venue."
