

Grade A Painters Expands Premium Cabinet Painting and Residential Repaint Services Across Vancouver

Burnaby-based painting company announces increased service coverage and growing demand for interior upgrades.

Burnaby, British Columbia May 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Grade A Painters, a leading painting contractor based in Burnaby, is expanding its premium **cabinet painting** and **residential repainting** services throughout Vancouver and the Lower Mainland. Known for their clean finishes, fast turnaround, and reliable customer service, the company is now making its high-quality craftsmanship more accessible to homeowners in Vancouver, Burnaby, and surrounding areas.

With countless five-star reviews and a reputation for detail-oriented work, Grade A Painters specializes in both **interior and exterior residential painting**, as well as professional **kitchen cabinet refinishing**. The expansion aims to meet growing demand for quality-conscious, design-forward updates that breathe new life into homes without the need for full-scale renovations.

“We’ve seen a huge spike in Vancouver homeowners looking for ways to update their space without gutting it,” said a spokesperson for Grade A Painters. “Cabinet painting and interior repaints offer a fast,

clean, and cost-effective solution.”

In addition to cabinet painting, the company offers full-service **interior residential painting** and **exterior painting** for single-family homes, apartments, and strata properties.

Every project is approached with careful prep work, premium materials, and a commitment to timelines.

Homeowners looking to modernize their kitchens without replacing cabinetry can now take advantage of **Grade A Painters’ professional cabinet refinishing services**, a smart alternative to costly remodels.
