

Grp EStates : North India's Real Estate Leader

Chandigarh, India Jun 5, 2025 ([Issuewire.com](https://www.issuewire.com)) - Grp Estates, a renowned consultancy real estate firm founded in the year 2007, is proud to declare its steady growth and unwavering commitment to delivering unparalleled real estate consulting services in Punjab, Chandigarh, Haryana, Himachal Pradesh. Guided by the sheer brilliance of its owner and director, Mr. Gurpreet Singh, the firm continues as a pillar for local entrepreneurs and companies traversing intricate property development and regulatory terrains.

With more than 15 rich years of experience in the real estate field, Mr. Gurpreet Singh has guided Grp Estates to be an all-encompassing solution provider. The extensive range of services offered by the company includes prime areas such as land acquisition, meticulous due diligence, shrewd feasibility studies, project strategic liaison, and detailed market and product analysis. GRP Estates is particularly skilled at procuring essential statutory approvals from different authorities like PWD, NHAI, and principal municipal authorities such as PUDA, GMADA, and GLADA.

Mr. Gurpreet Singh is most well-known in Mohali for his expertise in securing difficult clearances under the regulations pertaining to forests, fire, highways, and heights in regards to numerous land projects. This niche experience, coupled with an extensive suite of services including joint ventures, retail location services, multiplex cinema approval, hotel investment, integrated facility management, property valuation, lease renewal, and post-sale documentation, makes GRP Estates a veritable one-stop-shop.

About Grp Estates: Established in 2007 and led by Mr. Gurpreet Singh, GRP Estates is a premier real estate consultancy firm based in Mohali, serving Punjab, Chandigarh, and Himachal Pradesh.

Specializing in comprehensive project approvals, land acquisition, and strategic real estate advisory, GRP Estates is committed to delivering seamless solutions and fostering successful property development across North India.
