

Happy Hoppers Dental Opens in Methuen, MA — Redefining Pediatric Dentistry with Warmth, Color, and Compassion

Methuen, Massachusetts May 27, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Going to the dentist just got a whole lot more joyful for kids in Methuen and surrounding communities. **Happy Hoppers Dental**, a brand-new pediatric and orthodontic dental clinic, has officially opened its doors, inviting families into a world of cheerful colors, gentle care, and exceptional expertise tailored just for children.

Founded by the husband-and-wife team [Dr. Vaibhav Jagad](#), a pediatric dental specialist, and Dr. Bhoomi Kotak, a board-certified orthodontist, Happy Hoppers Dental is more than just a dental office — it's a safe space where young patients can build lifelong oral health habits without fear or stress.

"We've created a space where children are not only treated but truly understood," said Dr. Bhoomi

Kotak, co-founder of Happy Hoppers Dental. "From the moment they walk in, we want kids to feel excited, not anxious. That's what Happy Hoppers is all about."

???? Built Just for Kids — Not Just Kid-Friendly

At Happy Hoppers Dental, everything is designed with a child's comfort in mind — from vibrant murals and playful spaces to friendly staff who speak *kid*. Whether it's a toddler's very first dental visit or a teenager starting braces, the clinic offers age-appropriate guidance, preventive care, and warm encouragement every step of the way.

The clinic's unique offering includes:

- Pediatric Dental Exams & Cleanings
- Preventive Fluoride & Sealants
- Gentle Cavity Treatments & Fillings
- Emergency Dental Care for Kids
- Orthodontic Consultations, Braces, and Invisalign for Teens

Meet the Doctors Behind the Smiles

Dr. Vaibhav Jagad is a compassionate pediatric dental specialist who combines expert care with a calm, understanding presence. He has extensive experience helping children feel safe during dental visits, making oral care a positive experience that kids (and parents) can feel good about.

Dr. Bhoomi Kotak, a board-certified orthodontist with advanced degrees from Boston University, leads the clinic's orthodontic services. Her mission is to help every child and teen feel confident about their smile, offering customized braces and Invisalign treatments in a warm and supportive environment.

Together, the duo brings a rare blend of **clinical excellence** and **emotional intelligence** to every patient interaction.

*"We're not just treating teeth — we're shaping experiences, building trust, and laying the foundation for a lifetime of healthy smiles," said **Dr. Vaibhav Jagad**.*

???? A Dental Home for Methuen Families

Happy Hoppers Dental proudly serves families across Methuen, Lawrence, Andover, Haverhill, and the broader Essex County area. The team works closely with parents, explaining every procedure in easy-to-understand terms and making dental care feel collaborative, not confusing.

Parents can expect:

- Short wait times
- Transparent treatment plans
- Flexible appointment slots
- A warm, family-focused atmosphere
