

Heng Makara Elevates Cambodian Digital Media with Viral Podcast and Visual Storytelling

Renowned content creator and visual artist [\[?\]\[?\]\[?\]\[?\]\[?\]](#) (Pastcods) drives cultural connection and digital innovation in Cambodia

Phnum Penh, Cambodia May 20, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Heng Makara, an established Cambodian content creator, photographer, and videographer, is expanding his digital media footprint with his podcast and creative brand [\[?\]\[?\]\[?\]\[?\]\[?\]](#) (Pastcods). Known for engaging short-form videos and compelling visual storytelling, Makara is bridging traditional Khmer culture with modern digital platforms.

Currently, [\[?/?/?/?/?\]](#) engages over 30,000 followers across TikTok, YouTube, Instagram, and Facebook, offering discussions on trending topics, entertainment, and lifestyle relevant to Cambodian audiences. Makara's production combines authentic content with high-quality visuals, making the brand one of Cambodia's emerging digital media shows.

In addition to hosting the podcast, Makara has more than ten years of experience in photography and videography, contributing to high-profile projects such as the 32nd Southeast Asian Games and branding campaigns for Tesla Cambodia. His work highlights Cambodia's vibrant culture while pushing the boundaries of digital creativity.

"Storytelling has the power to inspire and connect," Makara said. "Through [\[?/?/?/?/?\]](#), I aim to share Khmer stories that resonate both locally and internationally while supporting emerging creators."

Beyond content creation, Makara provides digital marketing and graphic design services, helping brands develop strong visual identities and increase online engagement.
