Paris, France Jun 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - We are excited to invite you to the [International Conference on Dentistry and Oral Health \(Dental 2026\)](#) taking place from **April 20–22, 2026**, in **Paris, France**. This premier [Dental Conference](#) is designed to bring together leading dentists, researchers, academicians, and oral health professionals to share knowledge and advance the future of dental science and clinical practice. With its **hybrid format**, the event ensures global accessibility by

offering both **in-person and virtual participation**, making it one of the most inclusive **Dentistry Conferences** of the year.

Dental Conferences 2026 will feature thought-provoking keynote sessions, hands-on workshops, and interactive poster presentations across vital areas such as restorative dentistry, dental public health, oral microbiology, implantology, and preventive dentistry. Set in **Paris**, a global center for science, culture, and innovation, the conference offers unmatched opportunities for **networking, collaboration, and professional growth**.

Join us in this iconic city to engage in impactful discussions, explore the latest advancements, and help shape the future of oral health at one of the most anticipated **[Global Dental Conferences](#)** of 2026.
