

Irum Anwar Chaudhry, MD: Unparalleled Expertise in Oncology, Hematology, and Geriatric Care in New York

Delivering Comprehensive Patient-Centered Care Focused on Individual Health Needs

New York City, New York May 28, 2025 ([IssueWire.com](https://www.issuewire.com)) - With nearly three decades of dedicated experience in oncology, hematology, and geriatrics, Irum Anwar Chaudhry, MD, is committed to providing expert, patient-centered care through her clinic. With offices in East Meadow and Baldwin, New York, the Dr. Irum Chaudhry Clinic stands out for its personalized treatments and comprehensive solutions tailored to meet the diverse health needs of its patients.

At the Dr. Irum Chaudhry Clinic, patients have access to a wide range of services designed to support their health and well-being. Office consultations allow for personalized guidance in managing complex health concerns related to oncology, hematology, and geriatric medicine. For those seeking convenience, telehealth services offer expert consultations from the comfort of home, ensuring that quality care is accessible to everyone.

Dr. Chaudhry's clinic also features specialized services such as pulmonary function tests to assess lung health, targeted iron infusions for anemia patients to boost energy, and personalized chemotherapy plans for cancer treatment delivered with compassion and precision. Additionally, quick and accurate electrocardiograms (EKGs) are available to monitor heart health as part of a comprehensive approach to patient care.

Dr. Chaudhry began her medical education at the University of Health Sciences, Lahore, Allama Iqbal Medical College, earning her Medical Degree in 1997. She completed her internship in internal medicine at Alameda County Medical Center in 2003, followed by a residency at NYU Langone Hospital – Long Island, which she completed in 2005. Driven by her passion for serving aging populations, she further pursued a fellowship in geriatrics in 2006 and a subsequent fellowship in hematology/oncology in 2009, both at NYU Langone Hospital – Long Island.

As a Diplomate of the American Board of Internal Medicine, Dr. Chaudhry is board-certified in multiple specialties, including Hematology, Medical Oncology, and Geriatric Medicine. Her extensive training and experience ensure that patients receive the highest standard of care, with a focus on dignity and comfort.
