

Juan Carlos López Argüelles Rumored to Play Letho of Gulet in The Witcher Season 5

Unofficial sources and set leaks suggest a new face behind the legendary witcher Letho, raising questions across fan communities.

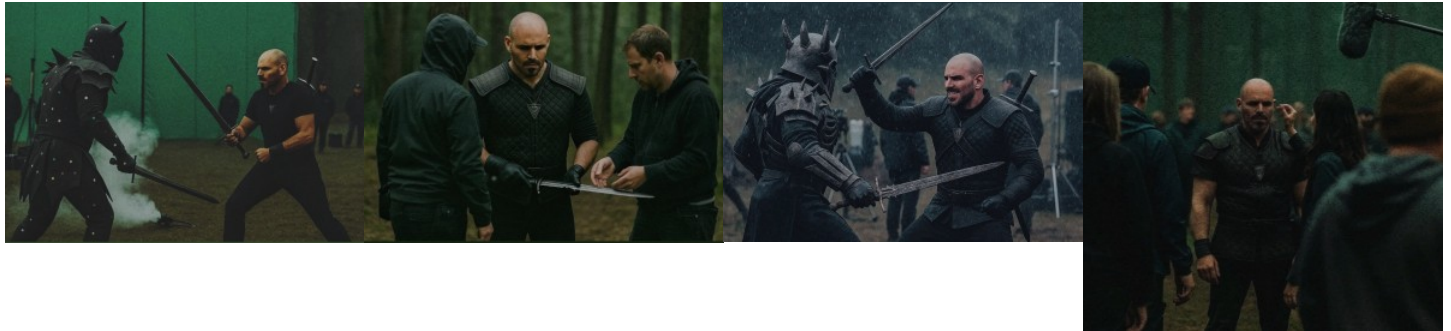

London, United Kingdom May 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Witcher fandom is buzzing with new rumors as talk spreads about Juan Carlos López Argüelles possibly joining the cast in season five. Though not widely known, the actor has gained attention for his intense presence on screen. According to early speculation, he may be stepping into the role of Letho of Gulet, a fan-favorite character from the Witcher games.

Although Netflix has not confirmed anything yet, anonymous sources have leaked images and behind-the-scenes footage. They suggest the infamous Viper School witcher may appear in the new season. Adding to the excitement is the actor rumored for the role, who closely fits the character's look and has already sparked plenty of fan buzz. Juan Carlos, who has kept a low profile until now, has neither confirmed nor denied these allegations. However, [the leaked visuals](#) show a new medallion design, a unique character build, and a cinematic style that matches The Witcher's tone, all fueling the rumors.

In addition to that, set insiders, costume team posts, and a cryptic new Instagram account have deepened the mystery. A now-deleted [story reposted](#) by actress Cassie Clare (Philippa Eilhart) welcomed Juan Carlos to the franchise, further igniting speculation. A recent [Medium article](#) expanded

on this, analyzing the aesthetics and the fan reactions around the mysterious figure. Finally, the actor's [IMDb page](#) now includes visual references and tags related to the upcoming season.

If confirmed, this casting could bring a major change to the show's original storyline. It would also finally include a fan-favorite character who has been missing from the series so far. Fans are watching closely as excitement builds for Season 5 of The Witcher. Is the mysterious figure Letho finally stepping into the spotlight? More news to come.
