New Delhi, Delhi Jun 25, 2025 ([IssueWire.com](https://www.IssueWire.com)) - What is your Sustainable action this Environment Day?

The caretakers of Planet Earth celebrate **The World Environment Day on June 5, 2025** in an eco-friendly practice.

GoSharpener proudly and humbly **announces launch of the [Waste Collection Championship](#)**, which is a first-of-its-kind. Country wide school initiative aims at transforming waste disposal practice in its educational institutions across India.

This Nationwide campaign invites schools to showcase their waste disposal efforts in waste generation, its segregation and final disposal—recognising their environmental responsibility and promoting youth leadership for a Greener tomorrow.

“Our goal is to transform students into Sustainability Champions and schools into Change Agents,” said Ankit Kapoor, Co-founder, GoSharpener

“This campaign blends recognition, real impact and learning to create long-term eco-conscious habits in Schools and Students” says **Prateek Kumar, Co-founder, GoSharpener**

Key Benefits for the Schools:

- ❑ Recognition & Participation Certificates from the GoSharpener
- ❑ Felicitation of 100+ School Leaders in an event for exceptional environmental leadership
- ❑ E waste Collected gets exchanged with Recycled Products (T&Cs apply)
- ❑ Quick pick up of Waste Collection by the GoSharpener representatives
- ❑ Applaud and recognition by the well-known knowledge partners like IPCE, IPCA, and Saahas Zero Waste

This initiative strengthens the nationwide momentum for environmental solutions with over **3 lakh+ students and 300+ schools** on the GoSharpener platform.

Schools will be recognised for their consistent efforts and scale of their Eco friendly practices, with top performers featured across GoSharpener’s digital sustainable platforms.

GoSharpener invites School Management, Principals, Educators and all the stake holders to join in the Sustainable practice and make The World Environment Day 2025 a day to reckon with.
