

Justyna Egan, OD: Bridging Vision Care and Community in North Jersey

Local Optometrist Combines Expertise with Multilingual Services to Enhance Patient Care

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Justyna Egan, an accomplished optometrist, is making significant strides in vision care for the diverse community of North Jersey. With a robust educational background and extensive training, Dr. Egan is committed to providing exceptional eye care services while ensuring accessibility for patients from various linguistic backgrounds.

She earned her Bachelor of Arts with honors from Rutgers University before pursuing her Doctorate in Optometry at Salus University in Philadelphia. Following her graduation, she completed a rigorous residency in Ocular Disease and Primary Care at the New Jersey Veterans Affairs Hospital. This comprehensive training equips her with the skills to diagnose and treat a wide range of ocular conditions, ensuring her patients receive the highest standard of care.

Active in her professional community, Dr. Egan is a proud member of both the American Optometric Association and the New Jersey Society of Optometric Physicians. These affiliations allow her to stay abreast of the latest advancements in optometry and provide her patients with innovative and evidence-based care.

Residing in North Jersey with her husband, Andrew, and their two children, Connor and Cassandra, Dr. Egan is not only dedicated to her profession but also to her community. Through her work, she aims to promote eye health and well-being for families in the area.
