

Lightning Lyrics Launches In Phoenix: Custom Songs That Strike The Heart

Studio Quality Musical Gifts Bring Emotion, Memory and Meaning Back to Celebrations

Phoenix, Arizona May 27, 2025 (Issuewire.com) - A Sound Storm of Emotion: Lightning Lyrics Launches in Phoenix with Custom Songs that Hit the Heart

Phoenix is about to get louder and a whole lot more personal. Introducing **Lightning Lyrics**, a groundbreaking new music company turning life's moments into unforgettable, fully produced, custom-

made songs.

From joyful milestones like birthdays, weddings, and graduations to heartfelt tributes, corporate anthems, and even hilarious roasts, **Lightning Lyrics** transforms personal stories into studio-quality songs and music across every genre from country to hip-hop, EDM to acoustic ballads, and more. Every song is a one-of-a-kind creation written and produced from scratch.

“These songs are like a high-end Hallmark card, but better,” said **Troy Bohlke**, founder of Lightning Lyrics. “They’re emotional, modern, and entirely unique. We’re giving people something that truly resonates. You can’t listen to one of our songs without feeling something.”

Co-founder Gavin Washburn agrees:

“There’s nothing cooler than giving someone a song that makes them laugh or cry, and say, “Wait, this is about me?” Music has moved people since the dawn of time. Now, we’re making it very personal.”

Whether you are celebrating a birthday, honoring a loved one, sharing an inside joke, or launching a new brand, Lightning Lyrics offers personalized music experiences tailored to any occasion. With options ranging from budget-friendly MP3s to deluxe bundles featuring lyrics, art, video greeting cards, and custom T-shirts, there’s a package for every story and every budget.

Lightning Lyrics are created in virtually any genre and language, delivering more than just music. It delivers a memory, a moment captured in melody.

Highlights include:

- **Fully original songs** written based on your story
- **Professional music production** with creative songwriting
- **Custom packages** with visuals, lyrics, art, videos & merchandise
- **Diverse genre capabilities** including rock, pop, rap, EDM, Christian, spoken word & more
- **Multilingual** to reach hearts worldwide in virtually any language

With roots in Phoenix and eyes on the world, Lightning Lyrics is redefining how we express love, laughter, grief, gratitude, and everything in between, one powerful song at a time.

“Everyone loves music. It’s the universal language of the heart,” said Bohlke. “Lightning Lyrics gives people a way to say what matters most, in the most unforgettable way possible.”
