

Local Obstetrician and Gynecologist, George San Miguel, MD: Brings Expert Care to the Community

Comprehensive Women's Health Services Now Available at THOP Memorial Campus

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. George San Miguel, an experienced obstetrician and gynecologist, is pleased to announce the opening of his practice at THOP Memorial Campus, where he is dedicated to providing high-quality healthcare services to women of all ages. With a strong commitment to patient-centered care, Dr. San Miguel specializes in a wide range of obstetric and gynecological services to ensure the health and well-being of his patients.

Dr. San Miguel completed his medical education at the University of Texas Medical Branch at Galveston and underwent rigorous training during his residency at William Beaumont Army Medical Center. His military background has instilled in him a strong sense of discipline and dedication to providing exceptional medical care.

He has extensive training in various specialties and procedures, including contraception product extraction, endometrial resection, and hysterectomy. His expertise also extends to fetal testing, ensuring that expectant mothers receive the best prenatal care possible. He understands the intricacies of pregnancy-related complications, labor and delivery challenges, and is well-versed in treating conditions such as breast disorders, female genital issues, and benign tumors.

“I believe in a holistic approach to women’s health, where every patient is treated with respect and compassion,” said Dr. San Miguel. “My goal is to empower women to take charge of their health and to provide them with the necessary information and support throughout their healthcare journey.”

In addition to his clinical expertise, Dr. San Miguel is affiliated with THOP Memorial Campus, allowing him to leverage the hospital’s resources for comprehensive patient care. Patients can expect a welcoming environment where their health concerns are addressed thoroughly and with dignity.

Dr. San Miguel is accepting new patients and encourages women to schedule an appointment to discuss their health needs. Whether experiencing pregnancy complications, seeking contraception options, or looking for guidance on gynecological issues, Dr. San Miguel is here to help.
