

Local Optometrist Diamond Abbate, OD: Brings Comprehensive Eye Care to Burlington Township

Newly Board-Certified Optometrist Enhances Community Health with Specialized Eye Care Services

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Diamond Abbate, a newly minted Doctor of Optometry from the Pennsylvania College of Optometry, is excited to announce the opening of her practice in Burlington Township, NJ. With a passion for eye health and a commitment to providing exceptional patient care, Dr. Abbate is dedicated to improving the vision and overall eye health of her community.

Dr. Abbate specializes in comprehensive eye exams, vision testing, and the prescription of glasses and contact lenses. She is also trained to detect and manage various eye disorders, ensuring that her patients receive the highest quality of care. “I believe that everyone deserves to see the world clearly,” said Dr. Abbate. “My goal is to provide personalized eye care that meets the unique needs of each patient.”

As a board-certified member of the American Board of Optometry, Dr. Abbate brings a wealth of knowledge and expertise to her practice. Her areas of specialization include refractions, glasses, and contact lens fittings. She has undergone extensive training through internships at esteemed institutions such as the 87th Medical Group at Joint Base McGuire-Dix-Lakehurst, Lyons Veterans Affairs Hospital, and Capital Health Medical Center-Hopewell. These experiences have equipped her with the skills necessary to address a wide range of vision problems and eye health issues.

In addition to her clinical practice, Dr. Abbate is an active member of the American Academy of Optometry, where she stays abreast of the latest advancements in optometry and eye care. This commitment to continuing education ensures that her patients benefit from cutting-edge treatments and technologies.

Dr. Abbate invites community members to schedule an appointment and experience the exceptional eye care services she offers. Whether patients need a routine eye exam, vision correction, or management of eye disorders, Dr. Abbate is here to help.
