Delivering Comprehensive, Compassionate Care with Cutting-Edge Technology Across Multiple Locations

New York City, New York May 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - Maheeb Jaouni, BDS, DDS, MS, a distinguished endodontist and the founder of The Endodontic and Periodontic Specialists, is redefining the landscape of dental care in Texas. With multiple office locations in Carrollton, Garland, Laredo,

Dallas, Rockwall, Arlington, and Plano, Dr. Jaouni and his exceptional team of specialists provide patients with access to innovative treatments, advanced technology, and a compassionate approach to care that prioritizes patient comfort and well-being.

From routine root canal therapy to advanced endodontic needs, The Endodontic and Periodontic Specialists collaborate seamlessly to deliver comprehensive solutions tailored to individual patient needs. Utilizing the latest techniques, including 3D CT imaging, laser treatments, pharmacology, endodontic microsurgery, and gentle wave canal disinfection, the practice stands at the forefront of dental innovation, ensuring that patients receive the highest quality of care for complex dental conditions.

A graduate of the University of California, San Francisco School of Dentistry, Dr. Jaouni earned his Doctor of Dental Surgery Degree with honors. He further honed his skills at the University of Maryland, Baltimore College of Dental Surgery, where he completed a rigorous three-year Endodontic Post Graduate program. His dedication to clinical and research excellence earned him prestigious awards, including the Ponti Award for Clinical Excellence and the Sherryl Anne Award for Endodontic Research. Dr. Jaouni's thesis, which evaluated the efficacy of systemic antibiotics on localized endodontic infections, solidified his status as an expert in the field, earning him both a Certification in Endodontics and a Master of Science Degree in Oral Biology.

With over 15 years of experience and more than 10,000 successful root canal treatments, Dr. Jaouni has achieved Diplomate status from the American Board of Endodontics and is an active member of professional associations, including Phi Kappa Phi, ensuring he remains at the cutting edge of advancements in endodontics. His commitment to continuous learning allows him to provide patients with innovative treatments that enhance outcomes and improve their overall dental health.

Dr. Jaouni has been recognized for his outstanding contributions to the field, being named "Best in His Field" by D Magazine for 12 consecutive years and "Best Endodontist" by Living Magazine for 11 years running. Beyond his clinical accomplishments, he is an entrepreneur with a keen interest in wellness, particularly exploring the significant link between oral health and overall body health.

Outside of his thriving professional life, Dr. Jaouni actively engages with his community as a scout leader for the Boy Scouts, sharing valuable life skills with his children and their peers. He enjoys spending quality time with family and friends, traveling, engaging in water sports, cycling, and exploring new electronic gadgets, all while maintaining a strong commitment to balancing work and personal interests.
