

Marc Soucy's Music Series Is Breaking All The Rules As Conclusion Approaches

Marc is about to release STIR's final "studio" single on June 6 2025 with his 13th release: **THROUGH THE QUADRANGLE**

Boston, Massachusetts May 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Marc Soucy Music is celebrating the successful new music series, "STIR: Soundscapes Evoking Realities Only Imagined". The first single "Tashkent Club Fire" was released worldwide on June 21 2024 to many glowing reviews (read on website link).

Marc Soucy has been creating original music since the 1980s, and worked full-time as a producer from 1997 through 2011. Only now is he releasing his own original material, after "too long of a wait".

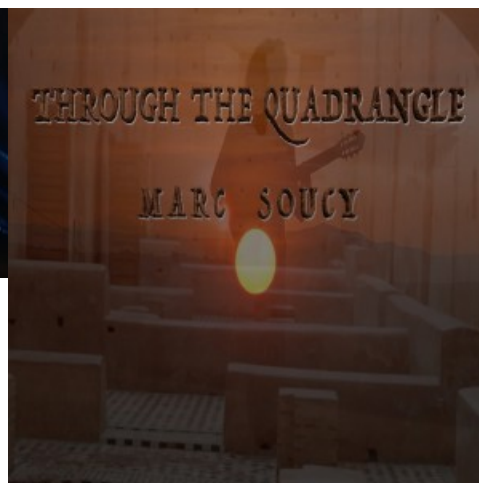

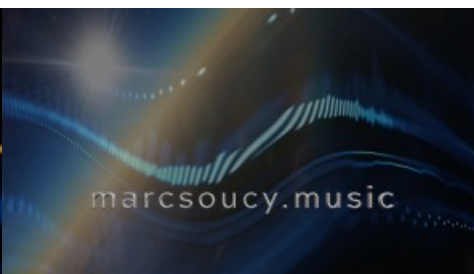

"By pulling in global influences and sci-fi, surrealism, and spirituality, Soucy's work goes beyond music; it's an experience." — [aKtmusiC](#) March 8 2025

"Elegant and refined, Soucy's work is a testament to the power of music to evoke, to transport, and ultimately, to illuminate." — [karlismyunkle.com](#) February 8 2025

"Each entry serves as a mini soundtrack, a musical vignette that creates a world of its own. Stylistic boundaries are virtually nonexistent in his creative universe." — [Dulaxi](#) April 4 2025

Marc's music is streamable and downloadable on most platforms worldwide. He has a growing [IMDB page](#), a VEVO channel on YouTube, and a disco.ac catalog for sync licensing goes live in June-July

2025.
